

# VOLUNTEERING AND LEARNING AREAS

## I. AGRICULTURAL ASSISTANCE

As volunteer tourists in the agricultural sector, you can work alongside Palestinian farmers of the Jordan Valley. You may assist them with plant cultivation and harvest and/or with livestock farming.

Depending on the season of your visit, you can participate in the production of different fruits and vegetables and help with additional work that needs to be done to grow the plants in the farms:

| Months    | Cultivation                    | Harvest                                | Additional Farming Work                |
|-----------|--------------------------------|--|--|
| August    | Cucumbers<br>Grapes            | Zaatar                                 |  |
| September | Corn<br>Beans                  | Olives<br>Dates<br>Cucumbers<br>Zaatar | Construction of Low Tunnel Greenhouses |
| October   |                                | Olives<br>Dates<br>Cucumbers<br>Zaatar | Construction of Low Tunnel Greenhouses |
| November  | Zucchini<br>Wheat<br>Chickpeas | Cucumbers<br>Zaatar                    | Construction of Low Tunnel Greenhouses |
